

## **ALZHEIMER CENTER OF CAPE COD WALK FOR ALZHEIMER'S**

The annual Walk for Alzheimer's in Provincetown, planned this year as a virtual walk on Sunday, October 17, is a glorious day filled with trolley rides, music, dancing, food-and even a little walking! However, due to the uptick in COVID-variant cases in our area, we have made the difficult decision to make the walk a virtual event again this year. From now until November 1, we encourage you to take a stroll through your neighborhood, walk in the park, or hike up a trail to fund free services for families and individuals living with Alzheimer's and other dementia-related diseases.

And this year, thanks to our friends at Uncommon Good, registering for the walk has never been easier!

Even though our walk will be held virtually, we fully intend to make it fun! On Sunday, October 17, we will have walk hubs set up throughout the Cape where you can drop off donations and pick up AFSC t-shirts, goody bags from Cosmos catering, walk sign-up sheets, and maps for walks in each area.

Hubs will be active from 10 am until 2 pm.
