PRESS RELEASE

CAPE COD – A NATION OF IMMIGRANTS

“BUILDING COMMUNITIES OF WELCOME”

All families have a migration story. Unfortunately, we do not always take the time to engage migrants in a meaningful way, as children of God, but remain aloof to their presence and suspicious or fearful of them. St. Peter the Apostle Catholic Church, 11 Prince Street, Provincetown will hold an educational program on Cape Cod Immigrants and Building Communities of Welcome on Sunday, March 31st at 6 PM.

Speakers include: Rev. Richard D. Wilson – Pastor Holy Name Parish, East Taunton; Minister to the Hispanic Community, Taunton and in New Bedford during an ICE Raid. G. Thomas Ryan – Chair of Migrant and Refugee Committee, Cape Cod Council of Churches; Christian Education at the Community of Jesus; Vice Chair – Eastham 400 Commemoration Committee. Collin Mickle – Lawyer and Coordinator of the Immigration Resource Center, Community Action Committee Cape and Islands. For more information call: Eileen Cabral at 508-487-1630. All are welcome.
